

FOTO IS A QUALIFIED CLINICAL DATA REGISTRY (QCDR) - WE KNOW MIPS.

As the Merit-based Incentive Payment System (MIPS) requirements continue to rapidly change, **the time is now to set your clinic up for success.**

**PATIENT
OUTCOMES**

Receive expert coaching from our dedicated MIPS Registry Specialist and remain compliant with Centers for Medicare & Medicaid Services (CMS) guidelines.

Maximize your opportunities for a higher MIPS score. FOTO's QCDR has the widest range of options for MIPS reporting with both outcome and process Quality Measures.

Save time and effort on MIPS reporting efforts. We submit your MIPS data to CMS for the entire year so you don't have to.

Sync your EMR MIPS Process data via seamless integration to the FOTO QCDR and CMS.

Providing knowledge at your fingertips to **measure, manage, and market** your business.

Amidst ever-changing Medicare requirements in the Quality Payment Program (QPP), FOTO has made the process of submitting our large group's MIPS data through their QCDR as painless as possible. Monitoring current year compliance in conjunction with an eye to the future direction of the Medicare program assures our practice is positioned advantageously to navigate these uncertain times."
